

Dear Parents and Carers,

Nursery School

Friday 26th May is our next staff training day and we will be evaluating how we are doing and planning for the future. **We are very keen to hear your views.** I am attaching a form overleaf and would love it if you could use it to let us know how we are doing and what else you would like us to do. If you would rather do this verbally, please ring for a suitable time to come and talk to me.

From September 2017 we will have a limited number of **30 hour spaces** available for eligible families. The following links are useful websites that allow you to find out more about this scheme nationally and to discover if you are eligible.

If you are eligible and are interested please do contact us on 01483 566589.

The children have shown great delight in meeting the new baby caterpillars. We have been reading 'The Hungry Caterpillar' by Eric Carle and they have enjoyed sharing their knowledge during group time and predicting what they think will happen.

A focus on how to support children speaking when there is more than one language being spoken at home. An ideal opportunity to obtain more support and meet with other parents.

Wanting to keep fit, or up your weekly activity? – why don't you try our **Walk for Health** on Mondays at 11.00 am from Hazel Avenue, no need to book, just turn up. We also have a **Zumba class** on Wednesdays at 9.15 am. If you wish to have a creche space we have limited space so please call to book. Dependent upon your postcode there may be a small charge of £2.00 for the creche, £3.00 for the class.

Kind regards
