

Dear Parents,

These are the books we are reading with the children this term. Staff will read other books as well but these ones are our **core books** for this term. When children know a book really well they can begin to read it for themselves. A core book approach plus lots of nursery rhymes is a very effective way of teaching children to read.

We are also sharing non-fiction books about animals and telling a story called Mrs Wiggle and Mrs Waggle.

Next week it is **half term** so there will be no nursery unless your child is attending holiday club. **Monday 19th February is a staff training day so the nursery and centre are closed.** We look forward to seeing you all back on Tuesday 20th February.

Kind regards

Sally Cave
Head teacher
