

## About Guildford Family Centre

Guildford Family Centre is a large family centre working across the whole Guildford Borough providing support to families with children 0-11 years old.

Our Family Centre has two main sites at Guildford Nursery School, Hazel Avenue and at The Spinney, Park Barn. We work across the borough of Guildford.

We are a large team consisting of the Family Centre Manager, 8 Family Support Workers, 2 Senior Family Support Workers, 1 Social Work Advisor, 1 Family Support Assistant and a Family & Community Worker.

Family centres support families to find solutions to the parenting and relationship challenges they face and to grow in confidence to manage future difficulties. The aim of a family centre is to help families build their own resilience and support network.

We provide targeted one to one support for families who may be going through difficult times. We listen to the family to hear how they would like things to change and build on their strengths to make these changes. We will work with the family, but also with other agencies (such as schools, medical professionals etc) to create a team around the family. Working together to meet the goals identified by the family.

We also offer support at level 2 through parenting courses, groups and our advice sessions.

Please see our website for more information:
