

Robin's Weaving - A Learning Story by Angharad

Watch me when I do it.

You have to press quite hard.

I'm going to go all the way around.

Look! 2! There's double like a love heart.

It's Duncan the cat. He has furry eyes.

I'm drawing Mummy. She has very long hair.

In and out. Every time I straighten it with my finger.

I'm sewing!

Robin, you decided to use the hole punch to make holes in the pieces of shiny silver card. You worked hard to press the lever, experimenting with where you punched the holes and what happened when you made two holes close together. You chatted to me whilst you explored, telling me what you were doing. You then decided to draw some pictures with pencils, before finding a pipe cleaner to weave around your picture. You were so proud of yourself when you had completed your work! I can't wait to see you explore when we introduce the sewing needles next week. I wonder if you will enjoy exploring further.
